

Training Center Berlin, Germany

The Berlin Training Center has been providing excellent training courses since 2013. It is located 8.5 km from downtown Berlin. You can easily reach it via the highway A100 and the two Berlin railway stations. Schönefeld Airport is only 10 km and Tegel Airport is 17.5 km away.

Benefit from ideal training conditions and special equipment such as a high voltage laboratory and technical models for effective partial discharge measurements as well as equipment for different training topics.

Welcome!

Travel Information

Excellent transport connections enable convenient arrival by car, train, or airplane. Comfortable hotels are nearby.

Please enter „Lorenzweg 5, 12099 Berlin“ in your navigation system. The training center is located south of downtown Berlin close to the exit „Tempelhofer Damm“ of the highway A100.

Berlin main station and Südkreuz station are easily accessible by public transport and by taxi. Connection can be searched at www.bahn.de.

Schönefeld Airport is only 10 km and Tegel only 17,5 km away. Both can be reached comfortably by public transport and by taxi.
